- Jose

- Patrick
- Lloyd

3 Absent List

- No one

4 Activities

- Realistic timeline and task to cut
- Decisions on which task to focus on
- Plan on implementing a feature to multiple lists
- Cleaned up css and html code errors

5 Discussion

The team looked over Nadir's Figma design to compare it with HTML and CSS. Discussed what feature to cut/we might cut.

Notes

Nadir informed us that he was ill and a few days later ended up in the ER due to the flu and he also has a doctor's note. Readjusted timeline to account for missing a team member.

6 Adjournment

The meeting was adjourned at 9 pm.

Attendee's list

- Nadir
- Jose
- Patrick
- Lloyd

3 Absent List

- No one

4 Activities

- Add task delete list
- Discuss what to cut off due to deadline cut by a week
- Nadir will implement delete checked tasks feature
- Jose implemented add task feature, dynamic task counter, revamped checkbox feature, and added template for task

5 Discussion

We were informed the assignment 3 and final were combined meaning one less week of our project. We discussed which features we could realistically implement with the new deadline and which to cut. Jose showed the team all the features he built for team approval for a big commit. We also decided to implement a delete feature for checked tasks instead of a delete feature for every task.

Notes

Team decided to cut import tasks and date and time features due to time constraints. Team will focus on themes which could meet the timeline.

6 Adjournment

The meeting was adjourned at 9 pm.
